Social evening with banquet and live music:

Social evening, organized at the end of the first day of the conference, is a great opportunity to relax at the end of the day, and to chat with others in a relaxed atmosphere, make new contacts and acquaintances, or exchanged some point of views.

This year's social evening will be held in the Hotel Habakuk. Throughout the evening we will be entertained by trio Platin, which mostly performs outside our borders. They will make sure that we will remember most of the 80's and 90's hits, which will be performed live.

In the "SHOW ACTS" program, we will be visited by Marilyn Monroe, Tina Turner, Elvis Presley, Amy Winehouse, Lady Gaga, Cher, Johnny Cash, Vanessa Mae, Shirley Bassey, Sister Act, Acapella, Marlene Dietrich, etc...

The sponsor of social evening is **HAWE Hidravlika d.o.o., Slovenia.**
