16.–17. MAY 2017 ARANĐELOVAC, SERBIA

PEEK BEHIND THE SURFACE OF SURFACE.
16. – 17. MAY 2017
HOTEL IZVOR,
MISARSKA 2B, 34300 ARANDELOVAC

Please register by entering your contact details at www.metal-days.com
until the 14th of April 2017 at the latest.

Surfaces achieve a lot more than first meets the eye. They are exposed to corrosion, pressure and friction, they meet the highest standards of protection, isolation and resilience and besides functional demands, they have to meet the requirements of optical and aesthetic aspects. We invite you to take a close look behind the surface of surfaces, together with us – within the **METAL DAYS 2017** Conference for Surface and Surface Technology from May 16-17, 2017 in Arandelovac, Hotel Izvor. **Please register now!**
